Dear Elections Department staffer:

Please find enclosed SDMM's year end (and closing) report. We have no unpaid obligations and had no remaining funds to disburse. The SDMM phone number and P.O. box are closed, so the contact information on this report is different from previous ones.

I am also enclosing an amended page from the prior report. We obtained the occupation from one of the donors we'd previously been unable to reach. Please let me know if you need a new cover sheet for that report.

Regards.

Karen O'Keefe

Schedule A – Direct Contributions

This schedule is used for reporting all direct contributions. You must keep a record of all contributors, but for this report you may combine all contributions of \$100 or less from individuals and the same from political parties and enter these sums as unitemized contributions on their respective lines below and on the next page. Any contribution of more than \$100 or aggregate during a calendar year from an individual or political party and all contributions from PAC's must be entered as a separate item (itemized) giving the amount, name, address and place of employment (if applicable) of the contributor. Each type of contributor has their own section for itemization. This schedule may be duplicated if you need more space, or you may attach additional sheets of paper.
